Commercial & Execution: Contract Negotiation, Budgeting & Cost Control, Client & Partner Management.

WORK EXPERIENCE

Rapsodo Pte Ltd. (Sports Technology)

People Projects Intern (HR Operations & Cross-Functional Projects)

Sep. 2025 – Jan. 2026

- Supported people operations and hiring-related projects in a growing sports technology company, working with HR and business stakeholders across multiple teams.
- Assisted with coordination of early-career hiring activities, onboarding workflows, and employee lifecycle changes, supporting dozens of hires and movements.
- Contributed to operational projects focused on improving documentation, learning resources, and access to HR information.
- Supported HR systems and tools to improve reporting, visibility, and day-to-day operational efficiency.
- Negotiated and closed IT vendor contracts, achieving a 23% reduction in annual recurring costs across Microsoft and AWS.
- Project-managed the redesign and launch of the company careers webpage, delivering the project in 50% of the planned timeline while aligning with employer branding goals. Viewership was up 128% and engagement time was up 68%.

Musubi Pte Ltd. (Branding & Creative Agency)

Operations and Project Lead

Dec. 2017 – Mar. 2025

- Ran day-to-day operations for a small creative studio, supporting 15+ client projects annually across branding, design, and marketing engagements.
- Translated client briefs into clear scopes, timelines, and deliverables, coordinating designers, vendors, and partners to keep projects on track.
- Managed operational workflows, resourcing, and vendor coordination to support timely delivery and budget discipline across projects.
- Introduced simple planning tools and processes to improve visibility and execution as the studio grew its client base.
- Secured long-term partnerships delivering 15–20 projects yearly with MBS, SMRT, and Sports Hub clients.
- Achieved 35% year-over-year revenue growth by expanding services and maintaining high-profile client accounts.

Lucky Ship Management Pte Ltd. (Ship Management & Bitumen Chartering)

Operations & Chartering Manager

Jan. 2018 – Apr. 2023

- Supported operational and commercial activities for maritime chartering engagements, coordinating scheduling, documentation, and execution across multiple concurrent voyages.
- Worked with internal teams, clients, and external partners to support contract execution, compliance, and issue resolution in a regulated operating environment.
- Assisted with planning and coordination of voyage timelines, documentation flows, and stakeholder communication to ensure smooth delivery.
- Developed strong operational judgement and attention to detail while working in an environment where delays or errors had direct commercial and regulatory impact.
- Increased annual brokered revenue from \$500K to \$2M by expanding international clientele and operations.

Pirate3DP Pte Ltd. (Consumer 3D Printer Research & Manufacturing)

Operations & Workforce Planning Manager

Aug. 2012 – Dec. 2017

- Supported operations during a high-growth phase, contributing to workforce planning, hiring coordination, and internal processes as the team scaled to ~40+ employees across functions.
- Worked cross-functionally with engineering, operations, and leadership to support staffing needs, reporting, and execution priorities during rapid organizational change.
- Built and maintained operational trackers and basic dashboards to support planning, resource allocation, and management decision-making across multiple workstreams.
- Helped introduce clearer workflows and documentation to reduce ad-hoc coordination and improve operational consistency in a fast-moving startup environment.
- Reduced hardware production costs by 60% over 18 months, significantly increasing gross margins.
- Raised \$589K SGD in seed funding and \$2M SGD in Series A venture capital.
- Secured \$1.45M USD via Kickstarter, the largest consumer tech crowdfunding campaign in Asia at the time.
- Obtained \$150K SGD from SPRING and \$100K SGD from IES through successful government grant applications.
- Awarded the President's Design Award for the Buccaneer 3D printer, elevating brand recognition regionally.
